Young Minds: Treating Depression and Anxiety in Young People

beyondblue and the Australian General Practice Network (AGPN) have developed a training package designed to help General Practitioners, practice nurses and other primary care workers to detect and treat depression and anxiety in young people aged 12 to 24.

You can access *The Young Minds: Treating Depression and Anxiety in Young People* training package free online at www.ebmcbt.com

The package is approved as Mental Health Skills Training (MHST) by the General Practice Mental Health Standards Collaboration and endorsed by the Royal College of General Practitioners, Australian College of Rural and Remote Medicine, Australian Association of Social Workers and the Royal College of Nursing, Australia.

All *beyondblue*'s information materials can be ordered free of charge at www.beyondblue.org.au (click [Get information](#)) or call the *beyondblue* info line **1300 22 4636**.

28	Enabling equitable access – more than just words	Leanne Pilkington, Eric Khong
29	Osteoporosis: general practitioner identification of barriers to screening and treatment	Dimity Pond , Andra Dabson, Jenny Bowman, Jill Phillips
30	The GP Psych Support service	Morton Rawlin , Tracie Hendricks, Annyca O’Shea, Leon Au, Effie Margiolis
31	GP proceduralists: a critical link in continuity of care in rural communities	Marian Robinson, Graeme Jones
